Hi George

We are leaving Monday morning and should get to Evansville after lunch and need to head back to the city no later than 2 on Tuesday.

In addition to seeing the proposed mine site, we would like to see the mitigation area and if time look at High Point and Liberty.

Wetlands Staff will be Kerryann, Marco and myself. Also Elizabeth Poole from our NEPA office will be with us. Wendy may attend but she is not yet confirmed.

Thoughts? I am in Seattle at a conference this week but will be checking emails.

Andrea
